both ways

*What did her boyfriend expect when he booked them
on a trash TV episode entitled "My Girlfriend Goes Both Ways?"*

My boyfriend should have known better. He had flown me all the way to New York to take part in an Asian dating show that turned out to be a TV confessional discussion show. You know the kind of thing, Jerry Springer, Oprah—although we didn't make it quite as big as that.

I argued with him that he misled me but he begged me to go along with promises of an expensive New York night on the town. We were booked to appear on some small time cable channel show, on an episode called "My Girlfriend Goes Both Ways!" and so I found myself sitting backstage in the green room watching on a monitor while my boyfriend and some other guy complained to the host about dating a girl who liked an occasional all-girl fuck. Luckily, I wasn't alone.

"He knew I liked girls from the first night we started dating," the pretty brunette sitting beside me shouted at the monitor as her boyfriend bad-mouthed her to the host. I couldn't believe what I was hearing.

She was almost in tears, so I moved in closer to her and placed my arm around her shoulders.

"They love it when you let them join in," I said, trying to comfort her. "It's when you want a girl all to yourself that they get angry."

The brunette looked up at me and smiled. "My guy's exactly like that," she said. "The first time we ever fucked, it was a threesome, but if ever I want to be alone with a girl, he gets all upset and starts calling me a dyke."

"You're all alone with a girl now," I said, crossing my leg toward the brunette.

Nonetheless, I decided that I should look my best for the TV cameras, so I had chosen to wear my skimpiest dress, one that showed off pretty much all of my tits and barely covered the hemline of my panties. As I crossed my legs toward the girl, the dress rode even farther up my thighs, revealing to her eager gaze the black lace satin covering my pussy.

"He'd be furious if he knew I was alone with a girl as horny as you," the brunette said; then she placed her hand on my knee. She held it there for a moment before moving it up my thigh and resting it just below the hemline of my dress.

"I don't really like these confessional TV shows," I told her, trying to think of a way of getting her to push her hand just a little bit higher. "I don't believe a couple should wash their dirty linen in public."

"It depends how dirty the linen is," the girl said, fixing me with a smile.

"Well, take my panties, for instance," I said, leaning in, ready to kiss her. "Ever since you started touching my thigh, they've gotten really sticky."

"We're due to appear on in 10 minutes," the girl said as my lips hovered over hers.

"They can always stick in an extra commercial break," I said, unable to hold back any longer. I pressed my lips up tight to hers, desperately hoping she'd respond favorably to my advances.

Parting her lips a bit, she let me push

my tongue inside her mouth; then the hand that had been lingering just below my hemline began to push its way right up my dress. I breathed deep and inhaled her perfume. Her hand brushed over my panties as she felt for my clitoris, which had quickly become erect. She fingered me through the satin of my panties as my mouth twisted and turned on top of hers.

"You're on in 10 minutes," said a voice through a speaker on the wall.

Ten minutes is not long for hot sex, so I decided we had to crank things up a gear. I stood up and pulled my dress off over my head, then ripped off my bra and panties.

"You have a gorgeous figure," said the brunette, though this was no time to be swapping compliments.

I dropped to my knees in front of her and got her to part her legs. She was wearing a tight miniskirt, and as she parted her thighs for me, I could make out the thin, wispy strap of the thong that covered her pussy. I kissed my way up the insides of her thighs, then pushed the strap of the thong to one side with my tongue. At once she placed her hands on the back of my head and pressed my face close up against her moist female crotch.

My nose pressed into her clit, and my lips met the lips of her pussy. I opened them wide and began to kiss her full on the lips, flicking my tongue in and out of my mouth so I could savor the full flavor of her juices. She let out a squeal as my tongue penetrated her hole. Her pink lips were getting very wet very quickly, and the extra lubrication was spurring me on to tongue her even faster. Through the monitor, I could hear my boyfriend making all manner of lewd accusations about me, and I was determined that when I went out there to deny all the charges, I was going to do so covered in enough juices for me to drown in.

I ran my fingers up and down the brunette's thighs, loving the smooth feel of her flesh against my fingertips. Her hands were still pressed hard against the back of my head, forcing me to keep my lips tight up against her pussy.

Not that I needed any persuading to do that. The taste of her juices was driving me

wild, and were it sold in bottles, I'd have drunk it by the crate. I flicked my tongue in and out of her pussy, determined to milk as much out of her as I could. As my lips circled her hole and my tongue darted in and out of her lips, I felt a telltale spasm shoot through her crotch. I knew immediately that she was right on the verge of orgasm and that, with a few more licks, I was going to get all the juice I wanted.

"Five minutes," said the voice from the speaker on the wall and I realized I had to speed things up a bit. The brunette looked real disappointed when I stopped licking out her pussy, but the smile soon returned to her face when I climbed alongside her on the couch and began to unbutton the front of her blouse.

The bra underneath was far too tight to contain her tits properly, and without the tight blouse to hold them in place, they came poking straight out over the top. I cupped one of them in my hand and gave it a squeeze, then pressed my other hand between her legs. My finger slipped easily between the sticky lips of her pussy.

The brunette leaned toward me, tempting me into a kiss. As we pushed our lips together in a passionate embrace, I parted my thighs and felt her hand slide through my muff toward my pussy. Five fingers teasingly circled my hole a couple of times, and then her middle finger penetrated my body, poking its way deep inside me.

I gazed up at the monitor and saw a shot of our respective boyfriends. As they attacked us onscreen, calling us perverts, we sat side-by-side, finger-fucking each other's pussy. We had turned our faces and our upper bodies in toward one another so we could kiss with tongues and feel our breasts press up together. The brunette had begun to gyrate her cleavage round

in a circle, making her tits squash up against mine. Her rock-hard nipples seemed to throb as they glided over my flesh, sending electric shocks throughout my body every time they met one of my nipples.

My pussy began to drip with juices. The girl's finger was shooting in and out of my insides, as hard and as fast as any cock ever could. I closed my eyes, and for a moment I was convinced that this girl

was genuinely fucking me. The feeling between the walls of my pussy was as intense as anything I had ever known with a man.

I upped the speed with which I was finger-fucking her, eager for her to feel every bit as much pleasure as I was feeling. The extreme wetness of her lips made it easy for me to really poke in and out of her hard and fast, and I could tell from the groans pouring out of her mouth that she loved the sensations my actions were bringing her.

As the speed with which I fingered her increased, so her passionate groans reached an intensity that left her no longer able to kiss me. Her lips broke away from mine as her groans became a scream. Her pussy began to spasm around my finger, gripping it so tightly that I was totally unable to move it back or forward. I felt a wave of pussyjuice flow out of her hole, wetting not just my finger but my entire hand.

I waited for her spasms to cease; then I yanked my finger out of her hole. She groaned again, then kissed me some more, all the while with her finger still shooting in and out of my pussy. I smeared the juices that had poured out of her sticky lips all over my naked tits. The juices cooled the heat in my throbbing nipples, and at once I felt myself starting to orgasm.

I opened my mouth wide and stuck my tongue deep inside her throat, while a vibration that had started deep in my pussy shot up to my clit, then spread throughout my body.

"Lick your juices off my nipples," I told the brunette as my breasts came alive to the orgasmic sensation.

She leaned forward and took my left nipple between her teeth, making my pussy spasm all over again with just one gentle bite. Her finger was still repeatedly penetrating my hole, forcing its way in and out of my body and fighting the spasmodic contractions that were setting my crotch aflame.

My interior muscles were contracting wildly. It was lucky that there was plenty of juice between my thighs to lubricate her passage.

She thrust the whole of her middle finger as far inside me as it would go, making her fingernail brush against my G-spot.

Suddenly my clitoris exploded, and my head began to spin. An overwhelming odor of pussy juice filled the room, reaching almost unbearable levels as it poured out of me, all over my muff and down my thighs. The brunette pulled her finger out of my amazingly wet hole and shoved it inside my mouth. I got a taste of what I was smelling, and it drove me wild with lust. It was warm, wet, and very sticky. It was the taste of a female in heat.

I swallowed my juices, and licked my lips, then leaned forward and kissed the girl's breasts. She pressed her hands between her own thighs and began to finger her pussy. Every inch of our bodies seemed to be covered with juice, and it seemed for a moment as if our lovemaking would be endless.

"Thirty seconds, ladies," said the voice from the speaker. "Please make your way to the studio."

I sucked on the girl's nipple and heard her moan, half out of pleasure, half out of disappointment that her pleasure was about to come to an end. I kissed her hard on her pretty red lips, then climbed to my feet and pulled my dress back on.

"Come on," I said as the brunette straightened her skirt and squeezed her tits back inside her blouse. "Let's get in there and deny everything."

And that's exactly what we did. You should have seen our boyfriends' faces as we insisted to the host that we had never so much as even kissed other girls. Our boyfriends could smell the juices on us; the host could smell the juices on us; even the audience could smell the juices on us; but we weren't admitting to anything. On screen we looked just like two little innocent teenage girls. Offscreen we had become lovers, and it was our boyfriends who were to blame. Or to be thanked!

But then, what did they expect? Invite a busty beauty and a bisexual babe onto a show called "My Girlfriend Goes Both Ways!" and you really are asking for trouble. Life's not a one-way street, after all. There are avenues and turn-offs all along the way, and some turn-offs, like my sexy brunette lover, can turn out to be one hell of a turn-on, too.

I'm glad that I go both ways.

Okay, so I've always wanted to try a red head. I kinda like it, don't you? It's a new look for me, well, after I gave up my blue hair... oh, and my pink hair. Those were just phases. Kinda like my pubic hair. I tried a landing strip, a triangle, and even shaved it all off, but hated it growing back!

The girl of her dreams

*i*t's not like I went down San Francisco's Chinatown streets staring at every girl I passed and wondering, Is she gay? But often enough, the question did occur to me—mostly when I'd see two girls together. I'd wonder, Are they just friends...or are they lovers? And I'd find myself getting excited. Turned on. My clit would pulse and thump. My thighs would tense and tingle. My nipples would grow stiff. They'd harden and get real sensitive, and the rubbing of my clothes would really make them more turned on.

One time I saw two girls walking through Portsmouth Square real close to each other, and I caught myself trying to read their body language and quickening my pace so I could keep up with them. They were both long-legged and took long strides that carried them down the street quickly. I had to scurry to keep up. I only hoped they didn't realize I was following them. But it was like I had to find out if they were gay, had to see if they gave any indication that they were lovers.

At one point, one of them must have said something funny. They both started laughing—loud, uproarious laughter—and then one girl took the other one's hand and squeezed it. It could have been innocent. I know that. Friends squeeze hands too. But I kept thinking, Is that it? Is that the proof they're lovers that I was looking for?

My imagination started to go wild. Suddenly I pictured the two girls na-

ked, going down on each other, lapping at each other's body, kissing each other's nipple, but mostly tonguing each other's clit.

I got so weak-kneed, I couldn't keep up with them anymore. My legs felt rubbery, my breathing was difficult, and my vision blurred. My clit was pulsing so strongly that I had to keep squeezing my thighs together. The two girls were quickly out of sight, and I was so turned on I was a mess. I couldn't walk straight or anything.

I was a total novice then to sex between girls. Never had done it, but I sure wanted to. I didn't know how or where to begin. I had heard there were dyke bars downtown, but I didn't know where they were or how to find them...or who to ask.

As far as I knew, I didn't know any lesbians or bis, and I sure didn't want my straight friends knowing I was interested in exploring same-sex sex. I had a boyfriend then, and while I didn't love him, I liked him, and I didn't want to lose him. I figured he might dump me fast if he thought I was "freaky"—and he might well think it was freaky for me to want sex with another girl.

I had a mental image of the perfect lover...female lover, that is. Not that I was holding out for perfection—I would've slept with any girl who was reasonably attractive, a nice person, clean, and interested in me. But I had an image in mind of the perfect female lover:

She'd be average in height, just a little bit muscular but not the overbuilt, dykey type, with short, dark hair, long eyelashes, a quick smile, a warm personality, boobs that were neither huge nor flat, and generally look kind of athletic and fit, neither ultra-feminine nor masculine and butchy either.

At night, my fantasy lover would come to my mind, and my fingertips would stroke my taut belly, my tingling nipples, my tensed and quivering thighs, while I pretended it was her, her doing all those things, her murmuring in my ear of all those other things

she wanted to do to me too, and especially of how she was going to lick and lap at my pussy so extravagantly and bring me from one screaming orgasm to the next, non-stop.

I had some real down-deep screamers "with her," too.

I wanted to tell her. But, unable to say, "Make love to me! Have hot, raw, wild lesbian sex with me and show me what it's like!" yet unable to think of anything else, I stood there like a total doofus saying, "Uh—uh—uh."

"Well, that's clear enough," she

She undressed me, kissing every newly exposed inch. As she stripped away the clothes, she heaped on the heat, not only kissing but lightly licking me. When my bra came off, her tongue danced around my nipples, swirling and twirling and laving and lapping, and lavishing warmth and wetness and steamy lovin' on my breasts.

I shuddered under her lingual assault, and as she moved lower, I grew so weak-legged that I had to sit down. By now I was totally naked anyhow, and by now her teeth had joined the party. They grazed and nibbled at the flesh just above my hairline, driving me frantic with need. I wanted to take her by the head and hold her to my muff till her tongue flicked out and lashed at my pearl. I had had a number of guys do something similar when trying to get me to go down on them, though, and I had never liked it, so I refrained from indulging my strong desires and merely emitted a series of moans and whimpers.

Jasmine spoke that language too. Chuckling, she said, "Eager, aren't we?" but she kissed her way down into my fragrant muff. I could smell my own pussy-fumes as they carried upward and assailed my nostrils; horny as I was, even my own scent inflamed me further.

Then Jasmine began biting on the skin under my pussyfur above my slit. Ooooo, I squirmed so hard when she did that. And then I finally did say, "Lick me! Lick my clit! Lick me!"

Well, she licked me, but not yet on my clit. Working her way down my lust-puffed labes, she licked down one side and up the other. Then she nibbled her way down one side and up the other. At that I did push on her head, trying to direct her right into my slit, where my clit, which felt swollen as a basketball, was throbbing mercilessly with the need to be touched and to come.

Jasmine's tongue slithered in be-

Then, one Saturday last spring, I went to the plant nursery, intending to get some plants and seedlings to put in the ground. And there she was! My dream girl! It was as if I had dictated my fantasies aloud, and some celestial matchmaker had created the perfect girl for me...and set her down right where I would find her.

Her long black hair set off sparks of reflected sunlight; beneath it, her skin was tanned from working outdoors; and from within that tanned face, two blue eyes radiated life. She had a pug nose, which gave her face a cute appearance that kept her from looking at all butchy, yet those muscles were there that I had envisioned, evident in her strong arms and legs. Her body was neither ultra-feminine nor blocky and overmuscular, and her smile radiated when she looked up at me. "What can I do for you?" she asked.

laughed. "Would you settle for some flowers? Or do you want plants?"

"I want—I want...." I was totally in trouble. And it didn't help when she put her arm around me sympathetically. I shuddered as a wave of lust swept through me, and I very nearly had an orgasm.

She seemed to recognize the symptoms. "Is this something we should discuss someplace more private?" she asked in a confidential, and therefore husky, voice. I nodded my head rapidly. "My place, seven o'clock? I'll make dinner, you bring the wine."

"White or red?" I managed to ask.

Her name was Jasmine. She drew the whole story out of me before we ever got into the bedroom. She moved slowly. But when we finally got to the bedroom, she had all the right moves there.

tween my puffed-up labes and into my slit...but still she kept me on the edge, drawing a line down my slit with her tongue and passing over my clit without lingering there. The return journey was more of the same...she slicked her way back from back to front but still darted quickly across my clit without paying it much attention.

By now I was thoroughly out of my mind with need. I screamed, long and loud, and it was not the scream of a woman in climax but instead the scream of someone whose need has grown too frustrating to bear.

"Hush!" Jasmine said. But she dragged the flat of her tongue across my aching clit. She did it slowly...excruciatingly slowly.

"Faster! Please!" I begged. But in this she didn't give in to me. She only kept slowly, s-l-o-w-l-y, ever so maddeningly slowly dragging her tongue across the fluttering, pounding tip of the heart of my sexuality. She did give me a little more help, though...she turned her tongue so the bumpy side of it rasped across my throbbing pleasure point. I sighed and spiked my pelvis upward, grinding my needful pussy against her face.

Changing tactics again, the ever-imaginative Jasmine now began nibbling at my clit with her teeth. Grasping the base of my clit with her teeth, she slowly dragged her teeth up the short expanse of my clit. I howled...and then exploded into orgasm.

"Yessss!" Jasmine encouraged me. "Yes! You go, girl! Do it! Yes! Yes!"

Writhing through one of the most explosive, long-lasting, satisfying climaxes I'd ever had, I shuddered, tensed, twisted, and bucked, till finally I settled back down to the bed, my body a wrung-out, limp rag.

Suddenly the smell of pussy fumes was stronger. I opened my eyes, which had closed during my orgasm, to find Jasmine settling above me, her glisten-

ing wet pussy descending to my face. I had never been up close and personal with a pussy before, but I sure wanted to be. Without an instant of hesitation, I thrust out my tongue and made contact with Jasmine's pussy.

As she hovered just above me, I sucked and slurped, trying to steal all the spicy nectar I could get. Concentrating on this delicious new taste treat, I thrust my tongue up into her cave and scraped the walls as far up as I could get, raiding them for every luscious drop I could get from them. Of course, the more I took, the more rained down on me.

Eager to try new explorations and enjoy new treats, I next began probing with my tongue to see what inner labes felt like, what the overall area of a slot tasted like, and just how wiggly a fully engorged pussy would be on the tip of my tongue. Jasmine's moans made it clear to me when I was doing what felt best to her. Her body language, too, spoke volumes.

As excited as she was, she was nearing climax already. I wagged my tongue determinedly across her clit, too eager to feel her come to take my time and tease her. Jasmine seemed appreciative of my efforts and bore down against me, grinding her pussy on my mouth, my chin, my nose. I realized that my body was humping on the bed again too. I was so turned on by licking her that I'd grown hot again myself.

In full view of Jasmine, and with no shame or embarrassment, I began to finger myself. Then, realizing I had two hands and was using only one, I groped for her breast—of course, with her bottom smack down on my face, my eyes were covered and I couldn't see where I was going.

When I made contact with her breast, I kneaded the supple, pliant flesh, encouraging her toward orgasm, and at last I felt her gearing up for the

final drive into climax. Speeding up my tongue work, I took her over the edge and, as I felt her quiver and climax above my face, I went over the same precipice and enjoyed the delights of a second orgasm of my own.

The evening was far from over; Jasmine dragged out a translucent dildo, with which we fucked each other furiously, and then, after a rest to recuper-

ate, we snuggled our bodies together on our sides, with one arm around each other and the other hand at each other's clit. In that position, we fingered ourselves to two additional climaxes each.

I spent the night and woke in Jasmine's arms in the morning. After kissing each other's lips, we kissed each other's pussy and got each other off again.

I don't think I've become a lesbian; I still like guys too. But I'm sure loving being a bisexual.
